AUTHORIZATION AND CERTIFICATION

I understand and agree with the following statements with regard to my application for coverage through an insurance Carrier:

- My dependents are not eligible for coverages I don't have. My dependents, including step and foster children and any over the maximum age, are eligible based on plan provisions but those over the maximum age will be verified when a claim is filed. I have read and understand the Special Enrollment Rights and know if I refuse medical coverage, I and my dependents must wait for the next open enrollment unless I become eligible during a Special Enrollment. If I refuse dental coverage, I and my dependents may enroll later but this will affect the level of benefits. If I refuse life or disability coverage, I may apply later but I must show proof of good health and coverage will be subject to approval by the Carrier. If I refuse coverage, I cannot enroll after retirement.
- I understand that the coverages applied for will not start until after this application and the appropriate coverage rates are received and accepted by the Carrier and an effective date of coverage is established by the Carrier. I further agree that the Carrier is not liable for a claim before the effective date of coverage and all policy provisions apply. During the first two years coverage for life or disability or medical is in force, false statements, omissions or material misrepresentations can cause changes in that coverage, including cancellation back to the effective date.
- Any person who, with intent to defraud or knowingly is facilitating a fraud against an insurer, submits an application or files a claim with false or deceptive statements, may be guilty of insurance fraud.
- For life and disability coverages, I authorize any health care provider who has personal information, including physical, mental, drug or alcohol use history, regarding me or a dependent, to give such data to the life or disability carrier agents and employees of the Life or Disability Carrier and I authorize the Life or Disability Carrier to release data as required by law. If signed in connection with an application, reinstatement or a change in benefits, this form will be valid two years from the date below. I may revoke authorization for information not yet obtained. I understand data obtained will be used by the Life or Disability Carrier for determining eligibility for life and disability coverage. Information will not be used for any purposes prohibited by law.
- I also understand collection of social security numbers for myself and my dependents will be used by the Carrier only as allowed by law.
- For life coverage, I understand that as the employee, the insurance I and my dependents have applied for will begin on the effective date of coverage provided I am at work on that date. If I am not actively at work on such date, subject to the terms of the group policy, coverage may not go into effect until after my return to work. Furthermore, I understand that no insurance may become effective for any member of my family while he/she is in a period of limited activity.
- For medical coverage, I authorize pharmacy benefit managers, "health care providers", including but not limited to, surgeons, physicians, psychologists, nurses, social workers, health care facilities and other entities covered under the HIPAA Privacy Rule and their agents and employees, to release and disclose my personal health information, including but not limited to, all health & mental records, including those records protected by Federal or State law relating to the diagnosis or treatment of AIDS or AIDS related complex, Human Immunodeficiency Virus (HIV) infection, sexually transmitted diseases, mental health and substance abuse, the use of alcohol, drugs, and tobacco, and the past, present, or future treatments or conditions for myself or for my dependents eligible for health care coverage to the Carrier, its agents, and employees, to facilitate the appropriate management of treatment, services, payment and benefits, relating to any coverage I have, have applied for, or may in the future apply for with the Carrier or other entities covered under the HIPAA Privacy Rule. I further understand that the personal health information described above may be disclosed to and/or received by persons or organizations that are not health plans, covered health care providers or health care clearinghouses subject to federal health information privacy laws. They may further disclose the protected health information, and it may no longer be protected by federal health information privacy laws. This authorization shall remain in force for two years following the date of my signature. I may revoke this authorization in writing at any time by sending the request for revocation to the Carrier. I understand that a revocation is not effective until received by the Carrier and that any revocation is not effective to the extent that the Carrier or Providers have relied on the protected health information disclosed to them. This Authorization and Certification does not authorize the redisclosure of medical information except as otherwise stated herein. Federal and State regulations do not allow further disclosure of mental health, substance abuse and AIDS/HIV related information. The Carrier maintains the confidentiality of all information received and it will not be released to any person or facility unless you apply for life and/or disability coverage underwritten by the Life or Disability Carrier in which case the application, without any further health records or Attending Physician Statements (APS) received, will be released to the Life or Disability Carrier. I understand that if I refuse this authorization, the Carrier may not make an eligibility determination, and I will not be considered for coverage with the Carrier.

I hereby authorize the following Carriers, their reinsurers, and their legal representatives to receive, use, and disclose my, my spouse and my dependent child(ren)'s Protected Health Information for the purpose of insurance coverage. I authorize the Carriers to disclose my, my spouse and my dependent child(ren)'s Protected Health Information between themselves, to reinsuring companies, and to the plan administrator or plan sponsor (if other than the employer), insurance intermediaries, or other persons or organizations performing business or legal services in connection with the purpose of insurance coverage: (Either *you* or *your broker* must list all Carriers that are to receive this application for insurance.)
